## Getting Started On Yelp

To get started either you can go to [www.yelp.com](http://www.yelp.com) or use a Google search for YELP through your web browser. Once you are there you will click on the “Sign Up” button, far right on the heading bar.

Now you will be directed to the “Create Your Yelp Profile” page. All that is necessary for this step is to enter the mandatory information (five boxes) and click the “Sign Up” button.

### Create Your Yelp Profile

First Name:

Last Name:

Email Address:

Password:

Zip Code:

Gender:  Male  Female  
*(Optional)*

Birthdate:     
*(Optional)*

Country:  [Change](#)

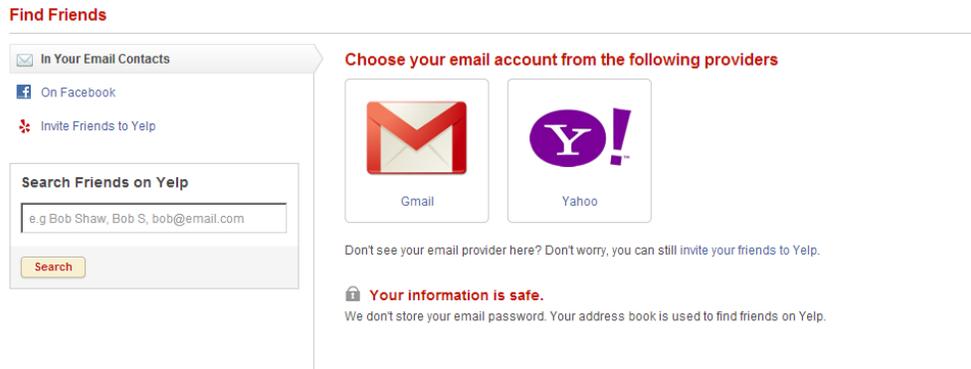

By clicking the button below, you agree to Yelp's [Terms of Service](#) and [Privacy Policy](#).

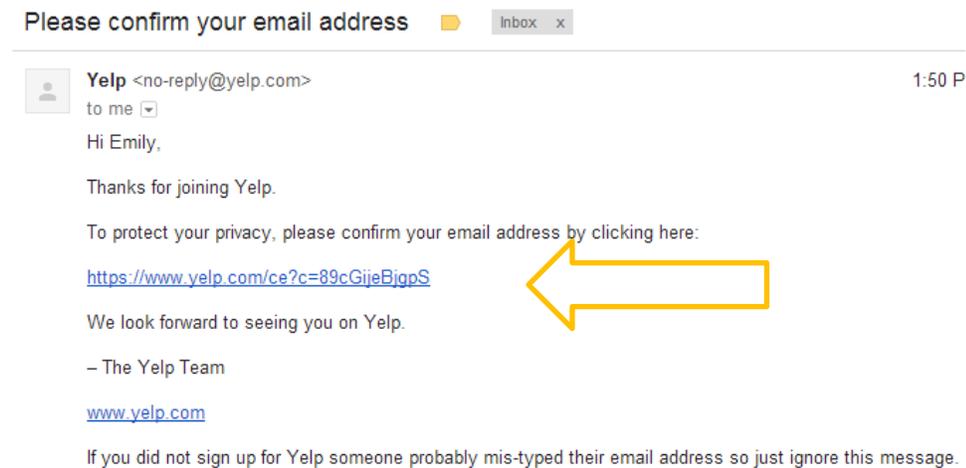

YELP will then direct you to a page that asks if you would like to add a picture. It's totally up to you which route you would prefer. If you do not choose to upload one (you can always go back and do it later) you can click “Skip This Step”.

You will then be directed to a page that has the option to search for friends via various social networking sources. Again, it is up to you if you would like to search for people you may know that are active YELP users.

Lastly, you will need to sign in to your personal email and check for a confirmation email from YELP. Open that and you will see a blue link that you can click on. You will then be directed back to YELP and you're ready to start writing your first review!

WRITING A REVIEW:

On the same header bar (where you signed in) click on the “Write a Review” link. You will then be directed to the page below.
